

December 1, 2020

Season's greetings to library friends and supporters!

What a year for the record books 2020 has been! I hope you have remained well and are safe in the midst of this unparalleled global pandemic.

As you know, at this time of every year in the past since 1984, we have written you to ask for a contribution to the Ced Vig Holiday Book Fund, one of our annual major funding efforts to provide books for the library. To illustrate the many users of our great library, we have often included in our letter a picture of an adorable child reading a book. This year is no exception—except that there are two children and they are wearing masks!

We cannot in good conscience ask you to contribute money to our cause when so many are struggling to make ends meet in their own cause. Of course, we are struggling too--and our need still exists. We completely understand if you are not in a position to make a gift at this time; however, if you find you are able to contribute, a self-addressed envelope is enclosed for your convenience, or you may donate online at rdlfdoundation.org. Please know there will be many grateful readers of the books we are able to provide through the Ced Vig Holiday Book Fund.

We extend our best wishes for the holiday season and for a better year in 2021, and we thank you for your many years of support in the past. I wish you health and safety, and may the normal world we know and love return very soon!

Most sincerely,

RHINELANDER DISTRICT LIBRARY FOUNDATION
