

Summer Reading Challenge

HOW IT WORKS!

Complete the prompt, cut out the stamp, and return it to the library for a small reward and an entry into the Grand Prize Drawing!

The Rules:

- ~If prompted on the stamp, make sure to write down the title/thing. Failure to do so may result in your entry being thrown out.
 - ~Be sure to write down your name and phone number on the back of each stamp! If you don't, we won't know who wins!
 - ~One page of stamps is for books, the other for **activities** (which, of course, involves some reading)
 - ~You can double dip by using the same book to complete both a book and **activity** stamp.
 - ~HOWEVER, you cannot use the same book to complete two book stamps.
 - ~For example, you could read a book outside that is the first in a series and complete both the First in a Series and **Read Outside** stamps. But you cannot read a book with a spy in the U.K. for both the Spy and Set in a Different Country stamps.
 - ~You can also double dip **activity** stamps. So you can **Bring a Friend to Teen Quest**, **Play Giant Uno**, and grab something from the **Create-O Cart** all in one trip!
- Complete all the stamps from one page and get an extra 5 stamps.
- ~Complete all the stamps from both pages and get an extra 5 stamps for each page AND an extra 10 stamps.
 - ~All extra stamps will be calculated by the librarian before the prize drawing.

All stamps must be turned in at the Rhinelander Library Teen Zone by Saturday, July 27th at close.

The winner will be contacted Monday, July 29th.
